Occidental Park Shooting Suspect Arrested

On Monday evening, at approximately 9:30 p.m., members of the Pacific Northwest Fugitive Apprehension Task Force (PNWFAT) and officers from the Seattle Police Department arrested Kevin J. Monday, Jr., age 20, of Federal Way who was wanted by the Seattle Police Department for investigation of homicide.

On April 22, 2006, Francisco R. Green, age 23, of Seattle, was shot and killed near the corner of Yesler Avenue and Occidental Avenue in Seattle, at approximately 3:10 a.m., following a physical altercation with another male. Two other individuals at the scene also suffered gunshot wounds when the gunman began shooting into their vehicle that had pulled up to the intersection. An investigation into the incident led Seattle Police detectives to identify Kevin J. Monday, Jr. as the suspect in the shooting. Seattle Police detectives also developed information that Monday had been shot in the leg in Federal Way sometime in early May in an apparently unrelated gang shooting.

Having identified their suspect, Seattle PD detectives requested the assistance of the PNWFAT in locating and apprehending Monday for questioning. PNWFAT investigators developed information that Monday was working at a business in Renton, where he was arrested in the parking lot of the business without incident as he walked to his vehicle on Monday evening.

The PNWFAT is a U.S. Marshals-sponsored partnership comprised of investigators from the King County Sheriffs Office, Seattle Police Department, Washington State Department of Corrections, the U.S. Social Security Administration OIG, and the U.S. Marshals Service. The Task Force is supported by the Project Safe Neighborhoods Initiative and was formed to concentrate apprehension efforts to remove federal, state and local fugitives from the streets. The Task Force objective is to disrupt illegal gun and drug traffickers in the Pacific Northwest and to reduce the amount of violence in the region.
